ST VINCENT'S CARE AT HOME Palliative Care

Palliative Care at Home

ST VINCENT'S PRIVATE HOSPITAL BRISBANE

Living with a life-limiting illness can bring changing needs for patients and the people who care for them.

Continuing the mission of the Sisters of Charity, St Vincent's provides specialist, compassionate palliative care at home across eligible areas of Brisbane.

Our experienced team provides coordinated, personalised care at home, working closely with your GP, specialists, and other healthcare providers to manage symptoms. Our focus is on supporting your quality of life, maintaining your dignity, and maximising your time with the people who matter most.

Our Specialist Team

Together, we support the physical, emotional, social and spiritual needs of patients and their families.

Our multidisciplinary team includes:

- Specialist Palliative Care Doctors
- Specialist Palliative Care Nurses
- Physiotherapists
- Occupational Therapists
- Social Workers
- Counsellors

Care Centered Around You

Following an initial assessment, our team will work with you and those important to you to develop an individual care plan.

Your care may include:

- management of pain and other symptoms,
- specialist nursing and medical support,
- physiotherapy and occupational therapy,
- emotional, social and spiritual support,
- counselling for patients and families,
- coordination with your GP, specialists and other providers,
- ongoing review and adjustment of your care as your needs change.

Support When You Need It

Patients admitted to our Palliative Care at Home service have access to specialist support and advice **24 hrs a day, seven days a week.**

During business hours, our team is available to assist with questions or changes in your care. Outside business hours, patients can access our after-hours support service, with a member of the team available to provide advice and guidance. A dedicated contact number is provided when you are admitted to the service.

Connected to St Vincent's Care

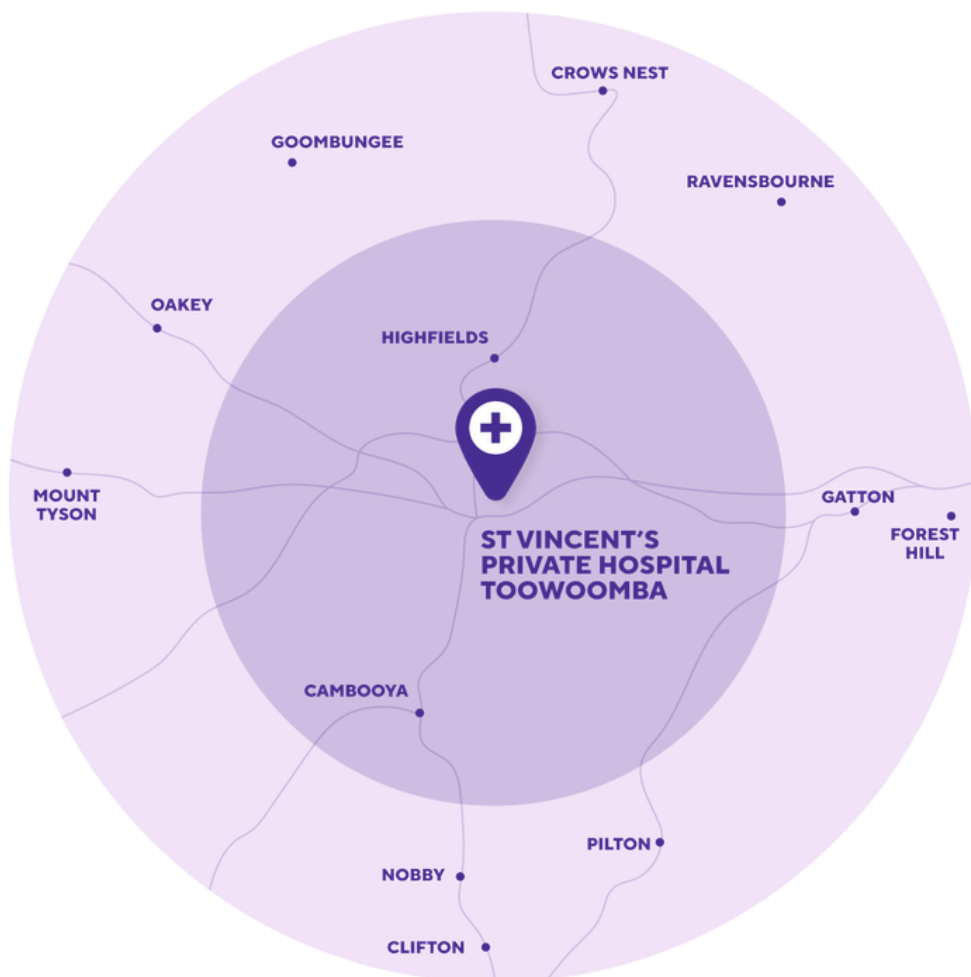

While our aim is to support you to remain comfortably at home wherever possible, your care remains seamlessly connected to St Vincent's.

If you require closer clinical observation or more intensive symptom management, our team can coordinate your admission to St Vincent's Brisbane. This specialist inpatient service provides 24-hour care in a calm, supportive environment, backed by onsite pharmacy, radiology, and pathology. As your needs change, we ensure your care remains completely connected across both home and hospital.

BRINGING CARE HOME

More care, delivered where you are.

Palliative Care at Home is part of St Vincent's Care Home program, expanding the ways we deliver high-quality care beyond the traditional hospital setting. By combining specialist clinical care with the comfort and familiarity of home, we're creating more choice in how and where people receive care.
